To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for my student, Maryam Mohammed, who graduated from Al-Thalithah Ashar Secondary School in 2024. Throughout her three years in our school, she consistently demonstrated exceptional qualities that make her stand out as a student and a leader.

Maryam is not only academically capable but also remarkably creative, cooperative, and driven. She excelled in science and technology subjects, particularly in computer-related projects where she demonstrated outstanding problem-solving skills and independent learning. Her ability to work with others, lead with confidence, and think critically has earned her the respect of both her peers and teachers.

As a natural leader, Maryam takes initiative and handles responsibilities with maturity and determination. Her positive attitude, curiosity for exploring new technologies, and unwavering dedication to excellence make her an ideal candidate for any academic institution.

I am confident that she will bring the same level of passion, intelligence, and leadership to the university environment, and I wholeheartedly recommend her for admission.

Sincerely,
Huda Yahya Madkhali
